## MULTICULTURAL GREEK COUNCIL

What organizations are at MSU?

Sorority: Delta Xi Phi Multicultural Sorority

Fraternity: Sigma Lambda Beta International Fraternity, Inc.

### What is MGC?

The Multicultural Greek Council at Mississippi State University recognizes the need for coordination and cooperation in activities of intercollegiate Greek-letter organizations. With this, the Multicultural Greek Council serves as a formal organization to establish rules and regulations, guidelines, and provisions for all organizations involved.

The primary purpose of the MGC is to unite its member organizations in order to share ideas and resources, promote mutual respect and equality, and provide a support network for involved students.

### What is Membership Intake?

MGC organizations use variations of a process known as membership intake to gain new members.

Each organization will decide when it will host an intake process. This is typically once every calendar year. The organization will post flyers and other forms of notification advertising the interest meeting or rush. Flyers are posted in the Office of Fraternity and Sorority Life at least 2 weeks prior to the process or interest meeting. These processes are discrete. Therefore, you will be informed of the timeline of the process, if you are selected for membership.
